## Media Policy Overview

*Please read the following information before filling out the Media Credentials Application online at:*  
<https://pasic.org/media-policy-credentials/>

A PASIC media credential will give you access to the International Drum and Percussion Expo during show hours, and access to the front of house for clinics, masterclasses, concerts, panels, presentations, and competitions. With a PASIC media credential, you will also have access to the front of the house during sound checks, unless otherwise specified by the Artist. Sound checks take place one hour before the scheduled session time and last 45 minutes maximum.

**Artist Sponsors and Media Organizations are eligible to apply for a PASIC media credential.**

**The following do not qualify for media credentials:** Family members, friends, children, etc., are not issued media credentials, nor are media representatives whose primary purpose for attending PASIC is not to cover the event as working news media.

## Eligible Applicants

**Artists/Groups:** If you are a PASIC 2019 Artist, please refer to the Artist Media Policy in your Artist Packet.

**Artist Sponsors:** Confirmed PASIC Artist Sponsors are eligible to take photos and videos of their sponsored artist(s) during sound checks and sessions by displaying a media credential on their PASIC badge. Please apply for a media credential after obtaining your PASIC badge. Fill out the Media Credentials Application online at: <https://pasic.org/media-policy-credentials/>.
